二セ札犯を追いつめる!!

My favorite chapter. If you guessed  
because I'm a perv, they you nailed it :P  
-Lews

この漫画は「イカサマ」をテーマにした、日本の人気漫画家「伊藤」による作品であり、

If that's the case, then we have no choice but to arrest the assholes behind this!

I never thought it could get mixed in with the money at my bank!

I know there were a counterfeited problems going on last...

What?

EVERY...

We can't really arrest them.

We know who's behind this last...

We already know who's doing it.

What's up with them?

What?

Who do you two  
think you  
are?

Please make  
some other  
business.

The police  
in this country  
are not allowed  
to arrest me.

Oh, didn't you know?  
As a foreign  
ambassador, I have  
special privileges.

If you continue to  
harass this man in  
any way, we will  
have you immediately  
arrested.

We can't have  
the future police  
harassment against  
foreign diplomats.

Or maybe you  
should just go  
back to being a  
criminal.

Seems you  
need to  
study up on  
your profession  
a bit.

Mr.  
Counterfeit  
Printing  
Mechanical!

Where  
are you?

I'm so  
amazed!

Where the  
hell could  
that room  
be?

I've been  
all over this  
place!

How  
strange...

Please...  
Someone...

Ah, you  
look so good  
like that

This is  
Lu's wireless  
radio...

The Sima  
counterfeiting  
operation  
is on their  
private jet!

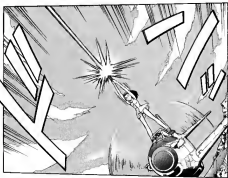

She's a  
monster!

AHAH  
HAHA  
HAHA!

Who's the  
real monster  
(smile)?

And for  
the record, my  
official name  
is...

There

Huh...  
This might  
be a problem  
though.

Well looks  
like the painting  
plans will  
be all over  
the place now.

I'm going to  
have to do  
more than give  
You a celebratory  
kiss this time.

We've got  
no choice.  
We did cause  
it after all.

Why the hell  
are they making  
us do this after  
we solved that  
case?

GET BACK  
TO WORK  
YOU TWO!

There is the  
celebration money  
you deserve!

This has to  
be the biggest  
mistake the  
world has ever  
made!

Johnny Got Miami Gun

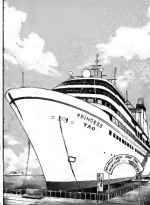

I'm really  
just so  
happy...

Huh-?

Please eat.  
I've prepared  
some great  
things for  
you

For a moment  
I didn't think  
you'd make  
it.

By the way,  
could I  
have your  
name?

Ahh.  
Good.

No... Just  
my head  
really.

Are you  
in pain  
anywhere  
else?

I'm a narcotics investigator!

That's right!  
I'm trying to  
infiltrate the  
Cliff Ross  
organization!

I am...

I am...

You have...

Are you  
saying...

Amore...?

But that's  
all I can  
really  
remember!

You... I'm a  
narcotics  
investigator...

Beautiful  
girl...

Drugs...

Cliff  
Ross...

However...  
Things keep  
floating into  
my mind.

Looks like my  
name is  
embroidered  
in my jacket!

Cliff!  
There's info  
embroidered  
in my jacket!

He's one of  
the biggest  
drug dealers  
around!

Did you  
say Cliff  
Rosen?

Like my  
life depends  
on it...

I'm also  
pretty sure  
I know something  
very important  
about it.

Maybe  
a secret  
about Cliff?

We even  
have a special  
task force for  
him at my  
station.

I've heard the  
name before,  
but no one  
seems to know  
what he looks  
like.

Are you  
really trying  
to infiltrate his  
organization?

There's  
no mistake  
about it!

You're a  
cop too,  
right?

And I'll be  
able to make a  
huge bust!  
What a chance!

How lucky!  
If I help him  
solve his case,  
he'll have to  
forgive me for  
turning him with  
my car!

Hyattah  
Of course  
I know!

Man, didn't  
you know  
that Johnny  
was a piece  
of shit?

Fresh

I'll laugh  
if he ends up  
floating face  
down in the  
ocean

I hear he's  
mixed up with  
some dangerous  
set this time.

Yao!  
Yao!

You two  
gotta get  
out of  
there!

DRUGS?!

Take them  
out!

Target location  
confirmed.

What?  
Why?

This is bad. They've got us surrounded.

And they decided they wanted a nice plot of land they could settle down on.

That idiot Johnny fell in love with this dancer named Lisa.

And so they ran off with Rosa's hard earned drugs.

That Johnny guy isn't a narcotics officer.

Yao!

Lisa got nervous and ran off by herself.

Rosa started chasing them down though.

Works for Rosa. He's pretty high up too.

So Johnny..

He's mixed up his claims to be a cop and reality.

Kinda funny considering he ended up as a drug dealer's lackey.

He always wanted to be a drug cop.

But what I do know is that I'm ending this with one shot!

Dunno yet.

I want to be  
the one  
who collects  
the reward!

Rooftop

I assume  
you'll keep  
your promise  
of the reward?

I'll hand  
Johnny over  
to you.

This looks good

Okay!

!?

Now send over John...

SAKURAKOJI  
YAOI

I AM THE  
BEAUTIFUL  
GENIUS  
POLICE  
WOMAN!

And I've got  
a picture of  
you and your  
drug!

I've got  
you now,  
Cliff Ross.

**YOU  
WHAT?!**

You're not going  
to run from one  
little old rich  
person are you?

What can  
one little  
police-officer  
do?

Well how  
should I  
tell you  
then?

Well...

You don't  
think I'm  
really surprised  
do you?

How bout the  
same way I'm  
going to kill you?

What the  
hell is  
that?!

!!

YAHOOO!

Seems like  
a few feet  
to me!

More  
than they  
deserve!

It's  
nothing...

第11砲 ミス・マイアミ・コンテスト

But, the sponsors want to make security anyway

In all likelihood, this is merely a staged prank.

It doesn't seem necessary, but they were insistent.

The Miami Princess contest received this threat today.

To those who would dare judge a woman's worth by her looks:  
If you do not cancel this event tonight, I can guarantee a great destruction will happen to whatever is declared the winner!

But this contest will not be rigged! If you want to win it, you'll have to do it on your own!

If anything comes up, you two will handle it!

I am letting you two enter the contest!

So...

That is all!

And I definitely have faith in my looks!

He said we'd have to win on our own!

Special thanks to the sponsors of this contest!

I'm thinking about withdrawing

But...

Yup.

You're in the contest too?

Wow! Is that you Nagisa? It's been awhile.

Hello, Yui.

I know there are a bunch of other girls who are withdrawing too.

What would be the point of me competing?

My beauty just can't compare to the likes of you.

You're right. Thank you.

Let's both do our best!

Don't be discouraged.

They know who's got what it takes to win.

Looks like I was right...

You can  
tell they want  
knockout girls!

Look at  
those  
groovy  
beach  
judges.

Let's get  
the real  
girl out  
here!

You gotta know  
what the judges  
like and does to  
please!

That's the most  
important  
thing to  
know!

You gotta set  
your own appeal  
to maximum!

Saturday  
Night  
Yay!

421

Hahahaha,  
I know exactly  
what you all  
groove want!

My hobby is  
to bust up  
cool people!

Sakurakouji,  
Yuu!

She must  
have secretly  
been in contact  
with the  
organism.

That bitch must  
be here to  
steal the contest!

I'm going  
to have to deal  
with her.

Now!  
We're done  
with the  
preparations!

It'll be payback  
for her today!

We're going to  
take-down the  
Sakurababy  
successor!

Then I  
will be the  
true ruler  
of Minnet!

Let us  
get out  
this soon.

**Good!**  
**Begin the  
operation!**

Every one  
who's been  
to an arcade  
should know  
this machine!

So show  
us what  
you've got,  
girl!

THE  
STRENGTH  
COMPETITION!

THE NEXT  
EVENT WILL  
BE...

体術対決  
POWERFIGHT!  
500Y

How odd. Why  
would a beauty  
contest want to  
test strength?

It's well  
also be a good  
place to see the  
action up close!

Your life is  
about to be  
ruined!

Hahaha!  
What a  
manon

I'll make  
your score  
skyrocket!

Hey, I know!  
Why don't I push  
on the machine  
from the back?

Sounds  
good to  
me!

**HIT IT,  
YAO!**

Alright!

**HAAA!**

Damn I'm still not in first

PRINCESS OF MIAMI  
SCARY

WOW! LOOK AT THAT! AFTER THE STRENGTH CONTEST THERE'S A HUGE STANDINGS SHIFT!

体カテス

Calm down, Garry! We still have one trap left for her!

Garry

I'll kill her! Kill her... KILL HER... KILL!

Fuck FUCHU!

Holy shit! Fuck, are you alright?!

Ughhh

And the event will be...

IT WILL BE THE DECIDING MATCH FOR OUR TOP 3 GIRLS!

AND NOW FOR THE FINAL EVENT!

This contest  
is getting  
odd...

A strength  
test followed  
by a gun fight...

This could  
be bad...  
but it's a quicker  
shot than  
I am.

Other than  
that though,  
we are pretty  
equal.

And then  
fire your  
section cap  
gun at your  
target.

You'll be  
judged on  
accuracy and  
quickness of  
shot.

We have an area  
set up with various  
areas of "cover."  
When a target pops  
up from behind the  
cover you must make  
a split decision to  
distinguish between  
a criminal and an  
innocent.

It's alright. This  
will just show which  
of you is the better  
officer.

I'm going  
to need a minute  
to pull this  
off.

And now I  
have a great  
idea.

!

Of course  
I'm the better  
officer!

What the  
fuck did you  
just say?!

Not a chance!  
I'm the only  
doing it.

All we have  
to do is lift  
her in the  
face and it  
should make  
her Miss!

I have covered this  
suction cup with a  
special solution.

Please  
allow me  
to take  
the shot!

A person  
has to  
solve their  
problems  
themselves!

This time  
I will get  
it done!

And, to tell the truth, our chief received a terrorist threat against this contest!

And that's why I'm here!

So I had to have my gun ready to be used at a moment's notice!

I had to switch it over for the custom cap gun in case we were attacked!

So when Nagisa came out from behind the set I thought she might be the terrorist! I didn't want to kill her though! So I shot around her!

I wouldn't want them to have a chance to injure anyone here!

Because what if the terrorists had guns too?

In accordance to the contest's rules,

I did it all...

1. 桜小路	Yan	5210pt
2. 天野	Lu	5030pt
3. 東条	Reigen	3860pt

I forgot  
about the  
trap in the  
winner's  
podium!

OF  
COURSE

She will  
be stripped  
in front of  
everyone for  
sure this time!

Oh, that!

Hey, what's  
with the  
stand?

Is this what  
you were  
trying to  
tell me about?

MR. MAGISA!

You...  
Are you  
really...

If she knew  
the podium  
was rigged...

Wait...

You're  
the boss  
friend...  
I have!

Set off the trap  
so I wouldn't!  
Is this thanks for  
when I saved you?

Did you  
really...

And with that sacrifice, the contest ended safely.

第12巻 Deep Forest

We confiscated it from an animal smuggler we arrested.

This is a Florida Smallmouth Crocodile.

It seems that there is probably a large scale smuggling organization operating most of this.

Lately there has been a large amount of smuggled animals appearing on the market.

And until a representative from the Animal Protection Office comes, we are keeping him in the station.

He is to be protected under the Washington Animal Protection Act.

Unfortunately, we have no leads.

They probably have a large hideout somewhere that is capable of housing a large amount of the smuggled animals.

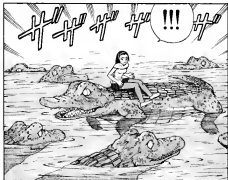

Wait... Does  
that mean  
this is the  
smuggler...

Your  
surf is  
in there?

Mya...

We'll look here.  
This little  
kitten brought  
our crocodile  
back to us

Well we  
did put some  
thought into  
the location.

And I can't  
believe we  
never found it.

I think I'll  
give your corpse  
to the jungle  
animals.

I have to  
thank you  
for returning  
our crocodile.

I can't believe  
you have a  
bridegroom  
out here.

Ughhhh  
If only I  
had my guns...

Poor ol'  
ole me!

But now  
the game has  
turned into  
animal food!

With soft  
and tender  
meat like this...

I doubt they'd  
even leave  
bones behind.

WAAHH-  
HHHH!

They still  
want to  
eat me!

They're  
still chasing  
me!

Please don't  
do what I think  
you're going to  
do!

I don't  
want to  
be eaten!

This is such food  
I must look  
incredibly good  
to those animals.

They're  
going to chase  
me no matter  
where I go

第13巻 姿なき殺人者(前編)

We have been  
called in to  
assist all of  
you with your  
current serial  
killer.

I am Lead  
Investigator Masego  
of the FBI.

Seven charred  
foreign corpses  
were found in the  
suburbs of Marse.

All of the bodies  
were dumped in  
the same general  
area. It seems highly  
likely that a serial  
killer is at work.

Your cooperation  
would be appreciated.  
However, this case  
is clearly not within  
your ability.

We have been  
dispatched in order  
to help you. Overcome  
the difficulties you  
are having.

My agents and I  
will continue the  
search for the  
killer.

You officers  
can go back the  
the case of your  
normal duties.

And please do  
not hinder us in  
anyway from  
completing our  
investigation.

I hope I've  
explained it  
simply enough  
for you.

That just says to me that you have given up on searching for the killer.

The Miami police are obviously at their limit.

You had a protective duty at an art museum today, didn't you?

You seem to think we're a bunch of clueless idiots.

Seems about right.

He is probably rather intelligent and does not live far from the crime scenes.

He also probably keeps souvenirs of the crimes in his house.

All the killings have taken place late at night or early in the morning. The killer is most likely a student and is killing in his free time.

When we I have come up with a criminal profile. The killer is most likely in the same age range of his victims. Between 20-30 years old. He lives alone.

Child...

Guinness.

Now, do your job!

Remember those details for anyone you pick up.

That is all.

And what  
brings all of  
you all the  
way down here?

KUSUNOSE,  
KEIGO?!

THE "SOUL  
EATER!"

!?

You would find  
the darkness  
hidden deep  
within someone's  
heart and exploit  
it completely

Those weak  
willed people!

He was being held  
in FBI headquarters  
before I became a  
field agent.

They called  
him the  
"Soul Stealer."  
He has the horrifying  
ability to  
completely mind  
control someone.

Serial  
murder?

He is still  
known as  
committing the  
most brutal murder  
in Miami history.

I had heard you were adventuring somewhere.

Never thought I'd see you in a place like this though.

I can't really object to that.

Atthh...So true, I suppose.

But I suppose I can see why you'd do it.

Your profile says as much.

The reason for you being here is easy enough to understand.

Aside from the fact that you and I choose different paths in life, I think we're quite similar.

Extremely talented people like us just aren't meant to fit in with the rest of society...

Excellent grades as a child. Upon entering E university, he became the top ranked student. Grew up in a very nurturing environment, which helped him realize...

20 to 29 years  
old (mean 25)  
other researches

He could do  
whatever he wanted  
the instant you said

There's a class ring from K University on your finger. I want that too but dropped out.

From Seattle, Seattle  
a lot of a  
north coast  
north

And of course  
to even be accepted  
to there you would  
have to have been  
a very talented  
person.

WHEN THE FUCK  
DID YOU TALK TO  
THAT TOLD ALL  
THAT ABOUT ME?

You said  
we were the  
same, but...

But I don't think  
I like being listed  
in the same group as  
an incompetent like you.

YOU...!

Of course  
I'll help.

But not if  
I have to  
deal with a  
reaper like  
you.

YOU HAD AN  
AGREEMENT  
NOT TO USE  
YOUR ABILITIES!

UNLESS YOU  
WERE HELPING  
A POLICE  
INVESTIGATION!

YOU TWO CAN  
JUST STAY  
LOCKED DOWN  
HERE!

FINE!

I HOPE  
THEIR FAITH  
IN YOU ISN'T  
MISPLACED!

LUUUUUUUUUH!

You showed  
that child  
control who's  
boss!

Hahaha!  
That felt good!

Sorry, but I  
only have an  
obligation to  
help your  
superiors.

And as you  
can see I'm  
already quite  
bored.

But

How about  
helping me  
out this  
time?

So you've helped  
out in past  
investigations  
did?

You...  
I often  
forget things  
like that...

Lu?

お開き..

It's part  
of a poem  
he wrote

This was sent  
to a friend by the  
name of E.H. Ogo  
by Rudyard Kipling  
shortly before  
his death in  
1938

Well I must  
apologize  
for making  
you angry

Here is a  
hint for  
your case.

Now it's  
up to  
you.

The key to  
the case is in  
this letter

For more info on what the words in a mystery case signify, be sure to read the glossary.

"The blades  
of grass and  
the leads you  
hold..."

"Burning and  
under the light  
of the day"

"This must be  
another answer  
to his quest."

"He knew  
this would  
be here..."

"Not  
sure..."

"...Blood?"

I've got it.

An artist...  
Kipang.

Rooms...  
E.N. Ogo.

This poem had  
a kind of indirect  
meaning focusing  
on colors.

You know we  
would probably  
find something  
of the sort there.

Kipang sent  
a poem to his  
friend E.N. Ogo.

E.N. Ogo.  
Or perhaps  
E.N.O. Japanese  
for "painting colors."

Did you  
even examine  
it?

We have  
to focus on  
our new  
problem.

How to avoid  
being fired.

Case is  
closed.

Who cares?  
They caught  
the killer.

Turn off  
the lights.

Will you have  
to investigate  
the murders?

You two some  
kind of family  
or something?

You want to  
see the dead  
bodies?

Probably  
about two  
weeks for  
a complete  
soak.

It takes awhile  
to properly  
soak through  
skin though.

The point we  
found is mostly  
used to dye  
further.

And if it  
had enough  
time to soak  
into the victim's  
skin...

Is that when  
they were found,  
they had all been  
placed lying  
on their  
stomachs.

One thing  
that all the  
victims have  
in common.

The killer  
must have had  
a reason to  
do this.

!!!

IS THAT...

We should  
see a reaction  
if we shine  
the UV light  
on the  
bodies.

Acting like an  
idiot because?  
Hahaha what a  
fucking idiot!

I sure will see

he found out it

Good! You're

Something  
about it  
seems strange...
